- Minor & Major project works
- Planned preventative maintenance
- Reactive repair & Response
- 24-hour emergency call out
- Energy solutions
- Design & Build
- Building
- Scaffolding design & install
- Fire & Security system design & Install

Differentiators

As a company who has grown from an Asbestos Removal contractor we have never lost our attention to detail and customer quality. We have developed our offering into a complete Built Environment Solution which enables our clients to source all of their construction and life-cycle management needs through a single provider.

Led by second generation original owners, our ethos is centred around Quality, Commitment, Delivery & Excellence.

We are large enough to deliver but small enough to care.

Scope

- Mechanical Services
- Air-conditioning
- Combustion and heating
- Electrical & Data
- Controls & BMS
- General Fabric
- Carpentry
- Decorating
- Brickwork
- Roofing
- Tarmac & concrete hard standings – White lining
- Plumbing & Drainage
- Flooring
- Handyman services

Company Data

Established in 1979, Shield are specialist technical contractors providing Built Environment Services covering a wide range of market sectors from healthcare, commercial offices, retail and logistics nationally. With access to over 100 mobile engineers we are able to meet our client's stringent performance requirements.
